### **IAE VISION STATEMENT**

Interfaith Action of Evanston strives to build a just community. We work with diverse faith communities and individuals seeking to address the systemic issues of poverty, unemployment, homelessness, and hunger. Through interfaith dialogue we bring people together to build relationships and encourage understanding across faith boundaries. We partner with local legislators, community leaders, and our neighbors to promote a healthy and equitable society.

### **IAE MISSION STATEMENT**

Inspired by diverse faiths and shared values, Interfaith Action of Evanston brings people together to serve hungry and homeless people, pursue interfaith dialogue, and engage in advocacy that promotes social justice for those we serve.

### **ABOUT IAE**

The Evanston Ecumenical Action Council was formed on May 19, 1970 and was an association of local Christian Churches for nearly 50 years. On May 15, 2006, the members of EEAC voted to expand the membership of the organization to all religious and spiritual communities and to change the name to "Interfaith Action of Evanston." Interfaith Action, based in Evanston, IL, is a non-profit organization whose mission is to bring together communities of faith and spirit to serve people who are hungry and homeless and to express shared values through action and interfaith dialogue. Membership is open to any faith organization that actively participates in our mission to serve hungry and homeless persons in the Evanston area and affirms that it wants to be a member.

## THE ROLE OF AN IAE DELEGATE

- 1 **Spreading awareness of Interfaith Action**, especially by supporting educational presentations to their faith community;
- 2 **Encouraging financial support** by their faith community for the work of Interfaith Action both by requesting that Interfaith Action be included in their faith community's budget and encouraging financial support to Interfaith Action by individuals within their faith community;
- 3 **Encouraging operational support** by their faith community for the soup kitchens and other direct and indirect services of Interfaith Action;
- 4 **Assisting in identifying and completing the nomination of the Vision Keeper** for their faith community and promoting and planning the attendance of members of their faith community at the Vision Keeper Dinner;
- 5 **Attending delegate meetings** and participating on committees;
- 6 **Serving as the liaison** between Interfaith Action and their faith community;
- 7 **Passing on to their faith communities information about Interfaith Action's activities**, programs, and any other communications from IAE;
- 8 **Providing feedback** to Interfaith Action concerning these communications when suitable;
- 9 **Seeking volunteers** to be involved in Interfaith Action activities and programs and other activities and programs that Interfaith Action supports.

## IAE DIRECT SERVICES

### HOSPITALITY CENTER FOR THE HOMELESS (HC)

Open Monday through Friday, 7-11 AM, 52 weeks a year, the Hospitality Center has provided a warm, friendly environment for guests from Hilda's Place and Entry Point (run by Connections for the Homeless) for 33 years. The HC operates from rooms graciously provided by St. Mark's Episcopal Church. At the HC, guests may eat breakfast, consult a job coordinator, receive computer training, and make phone calls regarding jobs or housing. The Hospitality Center welcomes contributions for the personal hygiene of its guests (see p 13).

### EMERGENCY OVERNIGHT SHELTER (EOS)

When the winter temperature is 20 degrees or lower, IAE provides an overnight shelter from 9 PM until 6:45 AM where guests enjoy hot drinks and a warm, safe place to sleep. The alternating host sites are: Beth Emet, First Congregational Church, First Presbyterian Church, First United Methodist Church, St. Paul's Lutheran Church, and the Unitarian Church of Evanston. Other IAE faith communities provide additional volunteers.

*We hope the EOS will be open every night, Nov-March this winter, so more volunteers are needed, **especially those who can spend the night** to support the IAE staff member. See page 13 for details.*

## WINTER WARMING CENTERS

In the afternoon during early November through the end of March, IAE sponsors centers that provide a warm, safe place for guests to enjoy conversation, reading, light snacks, or a nap. Five churches host the Warming Centers: Bethany Baptist, First Congregational (UCC), First Presbyterian, St Mary Catholic and St. Paul's Lutheran.

*Delegates representing Unitarian, Friends, Sherman, St. Luke's, First Presbyterian and Alice Millar faith communities sponsored a Friday Sack Lunch Soup Kitchen meal.*

## SOUP KITCHENS

IAE is part of a network of soup kitchens that provides meals every day. Over one hundred teams of religious groups, service clubs, businesses, and families pay for, prepare and serve the meals. IAE soup kitchens are at First Congregational Church, First United Methodist, Second Baptist, and St. Paul's. IAE welcomes new teams that will shop, cook, serve and clean up. In addition, St. Mark's, First Presbyterian, Hemenway, Second Baptist, and Beth Emet (with the Unitarian Church) also sponsor their own weekly soup kitchens.

## PRODUCEMOBILES

Since December, 2012, IAE has provided 35 volunteers monthly to distribute 11-16,000 pounds of free produce provided by The Greater Chicago Food Depository. Anyone living in Cook County and is in need is welcome to receive 10-20lbs of free fruits and vegetables at Robert Crown Community Center on the second Tuesday of each month, from 9:30-11:30 am.

The GCFD has offered Evanston an ADDITIONAL Producemobile distribution of USDA surplus produce for four months. This temporary Producemobile will be open on the fourth Tuesday, March-June 2019 from 3:30-5:00 PM at the Fleetwood-Jourdain Community Center to distribute 6-7000 lbs of fresh produce and bread.

## THE EMERGENCY OVERNIGHT SHELTER (EOS)

### WHY DO IAE DELEGATES VOLUNTEER? ONE DELEGATE'S STORY

by IAE Delegate, Carol Wilson of Trinity Lutheran

One of the more rewarding opportunities that IAE offers is being an overnight host for the Emergency Overnight Shelter. Not only do you have many options for getting to know members of the community we serve, but you are also rewarded by the gratitude nearly everyone expresses. On one overnight this year, however, I had a bit more excitement than expected.

I worked an overnight shift on a frigid Friday evening in January, when the shelter was operating at First United Methodist Church. As morning dawned, I volunteered to get additional supplies needed for morning coffee from the church kitchen. I was working with Sean, who clearly knew his way around and I thought I did as well. But after wandering for a bit, peeking in rooms and trying to remember the route, I ventured through one door to discover myself in a lobby area surrounded by locked doors-- including the one that had just closed behind me!

Coatless and two floors away from where the shelter residents were still sleeping, I pondered my options-- briefly. The morning volunteers would be arriving soon, so I sucked it up and walked outdoors, knowing the door would lock behind me as I left. A brisk walk-run around the outside of the church got me back to the door at the south end that we were using, and banging on that door for a few minutes brought Sean running-- and surprised to see who was there.

I was outside for less than five minutes in zero-degree weather, but it was long enough for the reality to sink in of what our guests deal with daily, with no assurance that when they knock on a door, it will be opened for them to once again be warm and safe. I am profoundly grateful for all my personal blessings and more determined to continue doing what I can to make warmth and security more available to those who don't have it.

## **WHY SHOULD FAITH COMMUNITIES FUND THE EOS?**

By Sue Murphy, IAE Executive Administrator

More than 60 different people used the Emergency Overnight Shelter during the 24 nights it was open last winter. I asked some of our guests where they would sleep when it is not open.

“I sleep on the EI if I’m lucky enough to have a pass.”

“I sleep in the Rose Garden, but I am afraid of frostbite.

“I sleep in my storage unit, but it isn’t heated and it gets really cold.”

“I sleep in my car, but I have to wake up often to turn it on so I don’t freeze and then off so I don’t get gassed.”

“I sleep in a parking lot, but when I went back last night all my belongings had been thrown away.”

“I sleep in the park, but I have to leave when the skunks start having babies!”

People shouldn’t have to worry about freezing. The EOS should be open on every cold or snowy night! This winter, you will be in your comfortable home. But what if you didn’t have a home? Where would you sleep?

### ***VOLUNTEER FOR THE SPRING BENEFIT COMMITTEE AND HELP OPEN THE EOS MORE WINTER NIGHTS!***

*Due to the success of the Comedy Night Fundraiser in April, 2017 the EOS was open last winter when the temperature dropped to 20 degrees (instead of 15 degrees) and, for the first time, during extreme precipitation. The “Keep The Doors Open” fundraiser in May, 2019 aimed to raise enough funds for the EOS to stay open every night next winter from November-May. Volunteers will be needed to help plan the 2020 spring benefit. Please consider volunteering to help plan this important event! **Contact Sue Murphy for more information.***

## The ANNUAL VISION KEEPER DINNER (VKD)

For 22 years, IAE has held an annual Vision Keeper Dinner. Those who attend remark on how positive and inspiring this event is. In February IAE faith community members, their friends and families, fill the ballroom of the Orrington Hotel to publicly honor a Vision Keeper nominated by each IAE faith community. The Vision Keepers represent their faith communities and embody values that positively impact both their faith community and the larger community. They grace every life they touch and encourage all of us to affirm our own vision.

### **THE VISION KEEPER DINNER IS CRITICAL TO IAE!**

A huge part of IAE's budget is met by volunteer hours and in-kind donations, but IAE depends upon funds raised at the VKD to hire staff (p 17). Please encourage your faith community to name a Vision Keeper and your members to attend the dinner to honor all of IAE's, Vision Keepers.

## SUE MURPHY, KEEPER of IAE's VISION

This November, Sue Murphy, Executive Director of IAE will celebrate her 21<sup>st</sup> year working for IAE.

In 1994, Sue responded to an ad by the Evanston Ecumenical Action Council for hiring a job counselor, only because the job would allow Sue to be home before her middle schooler. As she got to know the guests she served, however, she fell in love with them. As the EEAC developed into IAE, Sue was promoted to

Director of the Hospitality Center and has been IAE's Executive director for the last 13 years. Sue used to say that homelessness can happen to anyone, but deep inside her she thought "Not me! I don't drink, do drugs; I'm stable and have a family." Then she met Judy, a PhD from NU, who was a psychotherapist-- successful, white and about the same age. "Everything about Judy was like me," Sue said, "except that she was smarter, better educated—and homeless." At sixty, Judy began showing signs of dementia. She lost her clients, apartment and car. Eventually, she landed at the Hospitality Center. The year before she died, Judy spent every morning under Sue's watchful and caring eye. "I looked at her," said Sue, "and thought 'this can happen to anybody.'"

Guests have remarked for years about how much they love and respect Sue. She is warm and generous, yet firm, and constantly advocates for IAE's guests. Her fondest wish is for an end to homelessness, but she will settle for the EOS being open every winter night and for IAE to continue doing what it does so well--serving people who are hungry or homeless.

Thank you, Sue, for your dedicated service!

---

*If Sue ever retires, she would like to spend all summer at her cabin in Michigan, especially since now there is indoor plumbing!*
